ADAM JONES WORKSHOP WEEKEND

SANP is pleased to announce that Canon "Explorer of Light" Adam Jones will be presenting a workshop weekend for us on Saturday and Sunday, April 24 & 25, 2010. Each day will be a distinctly different workshop.

On Saturday, April 24 Adam will be presenting a classroom workshop, sponsored by Canon, in the Goins Auditorium at Pellissippi State Technical Community College. This workshop will have a limit of 150 people (capacity of Goins Auditorium) and include lunch at PSTCC cafeteria. Cost for Saturday will be \$20 per person and pre-registration is required. Pre-registration will be limited to SANP members only until February 15. After February 15 pre-registration will be open to the public, and we will be sending information to other photography clubs in the East Tennessee area.

To register for the April 24 classroom workshop please complete the registration form at the end of this newsletter. Checks should be made payable to SANP with "Adam Jones Saturday Workshop" on the note line. Please mail your registration form and check to Bob Turney at the address on the registration.

On Sunday, April 25 Adam will lead a hands-on field workshop in Great Smoky Mountains NP. This workshop will be limited to 20 participants and will cost \$75 per person. Because of the anticipated demand for this field workshop and its limited size, we will have a lottery drawing at the Salon on February 27 to determine the 20 participants and also 10 alternates for a waiting list. You must attend the Saturday, April 24 workshop to be eligible to attend the Sunday, April 25 workshop. Deadline to enter your name in the lottery drawing is February 15, and payment must be made by March 15 and is non-refundable. To have your name included in the lottery, send an email titled "Adam Jones Workshop Lottery" to kchiles@knology.net by February 15. This Sunday workshop will be open to SANP members only.

FIELD LEARNING EVENT

Black & White Photography Saturday, February 20, 2010

Leader: Wayne Setser Phone: 865-394-1509 E-mail: wsetser@mac.com

Meeting place: Hardee's at the Harriman/Rockwood exit of I-40

Time: 6:30 AM

Destination:

Somewhere on the Cumberland Plateau. Our destination will depend on weather conditions and the interests of the participants. Some possible locations include: Ozone Falls, Black Mountain, Grassy Cove, Piney River, Laurel/Snow Pocket Wilderness, or others.

Learning opportunities:

This workshop will explore the lost art of black and white photography and hopefully improve your color photography at the same time. Black and white takes away those distracting colors, forcing you to focus (pun intended) on the other elements of a great photo; texture, shape, form, line, and tonal contrast. Some of the topics we'll explore include:

- How to "see" in black and white
- Composition
- Metering and exposure
- Basics of traditional large format photography (if you're interested)

What to bring:

- Your favorite camera and lenses
- Black and white film (if you're still using a real camera)
- Your instruction manual if you're shooting digital
- Tripod

Remember to dress for the weather and in layers!

Driving directions:

From Knoxville take I-40 west to exit 347, Harriman/Rockwood. At the end of the ramp, turn right and look for Hardee's on the left.
