

SANP MARCH 2013 NEWSLETTER

JANUARY MONTHLY MEETING

Date: Tuesday, March 26, 2013

Time: Social time 6:30pm/Meeting 7:00pm

Location: Goins Auditorium, Pellissippi State Technical Community College

Our presenters this month are SANP members Tom and Pat Cory. Their program is titled "Memories of the Light, Creating a Sense of Place." This entertaining program, with light instruction, will consist of images from Wales, Ireland, Newfoundland and Switzerland. The Cory's will discuss how they strive to bring back images that are beyond the postcard. Based on their years of experience, they will cover the equipment, technique, and art of travel photography while incorporating images of nature as well as those that include the hand of man.

BIO

Even though they live in Chattanooga, Tom and Pat have been members of SANP since its beginning. Working as a husband/wife team, Tom and Pat, have led photography workshops throughout the U.S., Europe, and Australia/New Zealand for many years. Their travels have given them the opportunity to explore many wonderful countries, including our own.

Tom's images have appeared in Sierra Club calendars, *Delta Sky Magazine*, *Nature Photographer*, *Outdoor Photographer*, *Blue Ridge Country*, and *Chattanooga Cityscope*. His fine art prints are in public and private collections in the U.S. and in Europe. Pat has worked in video but now works mostly with still cameras and is involved with handling their business, Cory Photography. They have published several photography books, including *Notes from the Field*, *Gently Touch the Earth*, and *Scenic Chattanooga and Beyond*. They publish a quarterly email photography newsletter. If you would like to be on their mailing list, please email them at tompacory@aol.com.
