May Monthly Meeting

Tuesday, May 31, 2016 Social: 6:30p Meeting: 7p Goins Auditorium, Pellissippi State CC

This month SANP members **Ron and Sharon McConathy** will be presenting their program “Enchanting Scotland.” The McConathys took a month-long trip to Scotland last fall, and we will see highlights of their journey. This show features ancient spiritual places, castles, interesting people, and lovely scenes from this remarkable country.

As you might guess from their last name, the McConathys have ancestral ties to Scotland. While on the trip, they received results from Ron’s DNA testing and met his closest match, who lives on the Isle of Butte in southwest Scotland.

BIO

Ron is a long-time active member of SANP, serving as past president and currently board member. He received his first camera as a gift when he was 12 years old and has been in love with photography ever since. Ron currently teaches several photo courses in the UT Professional and Personal Development

Program, including two weekend workshops with fellow SANP member Kendall Chiles.

Sharon learned early in the marriage that she either picked up a camera and joined Ron or did not see him much. Over the years, her role has evolved more into writing about their adventures. Check out their blog at smokyandshann.blogspot.com.
