August Monthly Meeting

Tuesday, August 29, 2017 Social: 6:30p Meeting: 7p

Watershed Bldg., Cedar Springs Presbyterian Church, 9132 Kingston Pike, Knoxville

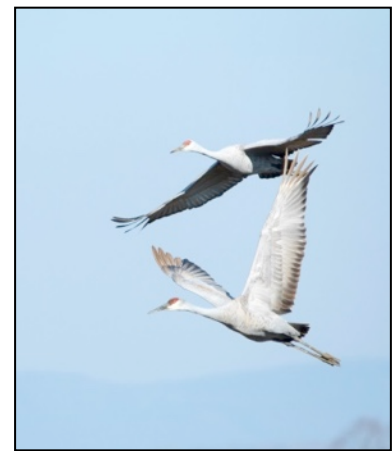

Our presenters this month are SANP members Larry Perry, Ron Sentell, and Ed and Lauren Langston. They are all participants in SANP's new Community Outreach Program, which provides slideshows at nursing homes, assisted living facilities, veterans homes, senior centers, and other facilities at no cost to the facility. They will be showing shortened versions of the following slideshows: Larry Perry -- "Wildlife of North America," Ron Sentell -- "Birds of the Wetlands," and Ed and Lauren Langston -- "African Photo Safari - Botswana."

A question and answer session follows the presentations. Stephanie Elswick, who is the coordinator of a network of facility activity directors, will

join our presenters for the Q&A and encourage SANP members to volunteer for this new program. (Continued p. 2.)

Contents: p. 2, New meeting location, p. 3, Meet our new members and Membership renewal; p.4, Salon information.

August Program on Community Outreach, continued

The SANP Outreach Program was presented in the May Newsletter in more detail. See at <http://www.sanp.net/newsletters/2017may-newsletter.pdf>.

Since that newsletter was published, several other members have signed up for the Outreach Program. You can find information about all the club members currently participating (eight at last count) and a list of show topics on the website, <http://www.sanp.net/outreach.html>.

Come join the fun! Contact Ron Sentell at ron@sentell.org to become a part of this effort.

Reminder: New Location for Monthly Meeting

Beginning with the **August 29** meeting, SANP's monthly meetings will be held in the Ramsey Cascades Room of the Watershed Building at Cedar Springs Presbyterian Church, located at 9132 Kingston Pike.

Meeting times have not changed, with social time starting at 6:30pm and the meeting starting at 7:00pm. The Watershed Building, which is located behind the large church building that houses the two sanctuaries, is not visible from Kingston Pike.

This move away from Pellissippi State was made because of economic reasons and will save the club substantial money each year.

Directions to the Watershed Building:

On Interstate 40/75, take the Cedar Bluff Road exit and travel to Kingston Pike. Turn left at the traffic light onto Kingston Pike. Turn right at the first light into the church parking lot (9132 Kingston Pike). Go to the fourth lane and turn right. The Watershed Building is straight ahead.

Once you enter the main door of the Watershed Building (shown in the photo below), walk straight back to find the Ramsey Cascades Room.

Membership Dues for 2017/18

It's that time again. Dues for the 2017/18 are payable now. Dues remain the same as in past years. Full membership is \$25 and family membership is \$35. See <http://www.sanp.net/joining.html> for other membership options.

Renew your membership now by completing the [form on the website](#) and sending a check to Alan Glazer at the address on the form.

Please remember to include your email address, even if it hasn't changed. This helps us keep our mailing lists and membership roster current.

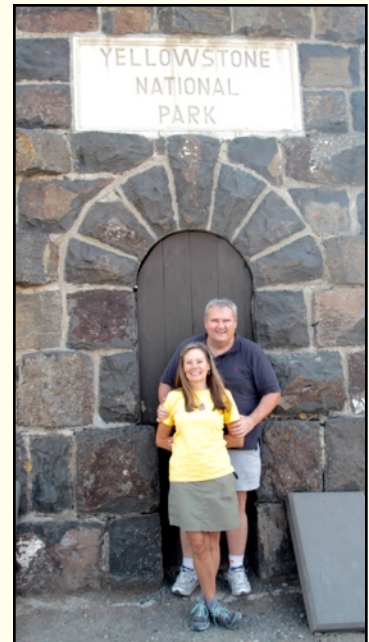

Note to other new members: We would like to introduce you to the club in a future issue of the newsletter. Please tell us a little about yourself and include a photo or two if you want. Send to info@sanp.net. Thanks!

Meet more of our new members...

Buck and Malinda Lewis, who just moved their residence a few weeks ago from Memphis to a condo on Fort Loudon Lake near where Pellissippi crosses Northshore. Malinda, a retired paralegal, is active in her church in Memphis and wants to become active at Good Samaritan in Knoxville. Buck is a litigation attorney, mediator, and arbitrator with the Baker Donelson law firm. He also teaches a leadership class at the UT College of Law in the fall of each year.

Buck and Malinda love traveling to and photographing national parks, as you can see from the photos hanging in their condo (photo below).

They say: "We look forward to making new friends within SANP."

Welcome to SANP, Buck and Malinda!

Frank Woodward, who grew up in the mountains of Southwest Virginia, and currently lives in New Tazewell, TN. Frank works in University Advancement at Lincoln Memorial University and teaches in the field of public administration. In high school and college, Frank learned the basics of film shooting and developing. Later in life, he began shooting Nikon and developed a passion for wildlife and nature photography. In the past couple of years, though, he delved into the world of medium and large format. He can currently be found somewhere in the Smokies with his 4x5 Speed Graphic.

Welcome to SANP, Frank!

Future 2017 Meetings

September 26 TBA

SANP Officers

2018 Salon

The SANP Board made the following changes to the Salon categories for the 2018 Salon. A more detailed explanation of Salon rules will be posted on the SANP website this fall. If these changes prove to have a positive effect, they may become permanent.

The digital competition will have two new categories, in addition to the current categories: "People in Nature" and "Abstracts In Nature." These two categories will **not** be eligible for Best of Show. None of the current categories are affected by these additions.

Another change for the digital competition is that members may now enter up to two images per category, for a possible total of 16 images.

The color print competition will now have only four categories: Scenic, Travel, Wildlife, and Everything Else. Members may enter up to two images per category.

The black & white competition will not have specific categories but instead will be judged as one category--an all-in-one category. Members may enter up to four black & white images.

Special Category for 2018 Salon:

The SANP Board has decided that the "special" category for the 2018 salon is "Atmospherics." The guidelines for this category are: A naturally occurring phenomenon that is viewed through or in the atmosphere. *Note:* Humans or manmade objects can be included, but must not be the primary subject.
