

2024 SANP Presidential Citation Award:

SANP Presidential Citation

May be awarded to one or more members by the current President in recognition of outstanding service to the club during the previous 12 months.

Selection: Based on his or her evaluation of volunteer activities during the previous 12 months, the SANP president may, when appropriate, identify one or more members for the SANP Presidential Citation to be presented at the next annual meeting of the club. Deceased members may become candidates for this award. Selection of candidates for the award shall be subject to the advice and consent of the Board of Directors.

The Award includes a certificate and a pin:

2024 SANP Presidential Citation Recipient

Ann Barber

Ann has served as Secretary since February, 2023 and has followed the excellent example set by our previous Secretary, Charles Samuels, by providing very detailed and accurate minutes for each monthly SANP Board Meeting. In addition, Ann has served as the SANP Librarian and as a member of the 2023 and the 2024 Chester A. Massey Distinguished Service Awards Committee.

Ann also volunteers for many events including the past two Print Salons and Salon Banquets and the recent Lightroom Workshop.

2024 SANP Presidential Citation Recipient

David Boruff

David has been a Board Member since 2020 and became Vice President in 2023. David has been invaluable to SANP. He led a Special Committee that produced a 10-year budget plan that included many needed reforms such as an increase in the membership fee to provide financial viability to SANP for the next 10 years. David led the committee that recommended this year's recipients of the Chester A. Massey Distinguished Service Award. As Vice President, he has presided at Board Meetings or Club Meetings when the President was on travel.

2024 SANP Presidential Citation Recipient

Julie Glibbery

Julie has assumed the many duties of the Membership Committee chairman this year. Julie makes sure that new members are contacted and that they are recognized when they attend Club Meetings. Julie also provides Name Tags for special events such as the Awards Dinner and the Lightroom Workshop.

2024 SANP Presidential Citation Recipient

Dale Potter

Dale has done an outstanding job arranging (and leading many) Field Trips, continuing to lead the Print Competition, resurrecting the Salon Banquet (for both Digital Images and Prints), finding a new Meeting place for SANP Monthly meetings, and resurrecting SANP Workshops with a very successful Lightroom Classic workshop.

2024 SANP Presidential Citation Recipient

Ron Sentell

Ron was instrumental in finding a new place to meet in August, 2017 after Pellissippi State became too expensive for our monthly meetings. Ron was also our main contact with Cedar Springs Presbyterian Church for the six years of meetings and made all the arrangements for each meeting. Ron also served as Digital Image coordinator in 2017, 2018, 2019, and 2023. He also served as Chairman of the first Chester A. Massey Distinguished Service Award Committee in 2023.

In addition, Ron has been Chairman of the Community Outreach Committee and presented numerous photography programs to nursing homes in the surrounding area. Unfortunately, COVID eliminated these important Outreach efforts.
